REVIEW

SIMPLE PRESENT TENSE

Do you work here?

No, I don't. I am only a customer. What do you do here?

I am a software designer at this company. What about you?

I work at a tech company too.

READING

Highlight the sentences that use the present structure.

Rosa, the CEO of Motorola, says that she always carries a laptop with her since it is relevant to upload updated information about the customers. Moreover, she posts news on the official website of the company in order to catch the clients' attention. Finally, she says that her colleague, Martha, also uses a social network to be in contact with the clients.

What can you identify in the sentence?
